MARINE PROJECTS,
Newport Street,
Stone House,
PLYMOUTH,
Devon.

Dear Sirs,

Further to our telephone conversation. We enclose our quotation for the Moody 29.

Both retail and net prices are enclosed. Trade discount of 20% would be given off retail quote for all "one-off" orders.

The net prices quoted are a fixed price for the period up to January 1981 and are based on 6 suits per month. Assuming that cloth prices do not rise more than a predicted 10%.

We do hope that we have the opportunity of manufacturing these sails for you, should there be any queries please do not hesitate to contact us.

Yours faithfully,

M. Ingram

Dear Peter

Could you please quote us for sails for the new 'Moody 29'. As with other 'Moody' boats the mainsail and working jib will be standard supply, No.1 and No.2 Genoas, storm jib, spinnaker and light waather genoa will be optional extras. Could you also include in your quotations price for the mainsail cover and for a ~~reefing~~reefing reefing type of No.1 genoa.

The boat will be slab reefed and I am sending a copy of this letter to Bill Dixon of Angus Primrose's office so that he can send you a sail plan.

Yours sincerely

D S King

Dear David,

Thank you for your letter. I have pleasure in enclosing our quotation for sails for the new 'Moody 29'.

I hope you will find them competitive, and I will be happy to come down to visit you in Plymouth once you have had an opportunity of evaluating them.

Looking forward to seeing you then.

Yours sincerely,

P. Lucas.
