

MOA South West Rally: Dartmouth May 2022.

This was the first rally of the season and after a long absence a great chance to catch up. It was also nice to see some new members and their yachts. With a total of 23 attending the pontoon party on Friday evening over a few drinks and snacks.

Pontoon Party Friday evening

On Saturday morning, we had arranged a trip up the river Dart to Topsham. With 20 people enjoying the trip. The boat was empty and a very hot sunny day made it perfect. It was good to see the path the ferry took up the river as I had never taken Sea Pigeon past Dittisham.

The higher Dart just below Topsham on a hot Sunny day.

On Saturday evening, we had our evening meal booked at the Royal Dart Yacht Club. The wonderful meal was accompanied by a fantastic panoramic view of the dart and plenty of drinks. After a short water taxi back to the pontoon later in the evening the party continued with drinks into the night.

On Sunday morning after a slow start all the yachts and crew eventually leaving to depart to their home port. All the photographs from the rally can be viewed at. <http://ewinsaerial.uk/moasw/dartmouth/index.html>
