

## Beaulieu Rally 2<sup>nd</sup> /3<sup>rd</sup> July

We had nine boats attend the annual Beaulieu BBQ. Beaulieu having updated there BBQ facilities which include a lovely marquee with tables and chairs on hard standing in the boat yard with three coal fired BBQ's. Luckily we did not need the marquee's protection as the weather was kind to us.

We had an interesting sail there with some interesting winds, and light winds back

Several new boats attended the event and it was nice to welcome some new members.
