

MOA Easter rally to Lymington 7th to the 10th April

16 boats attended the rally to the Lymington Harbour Dan Bran pontoon , 15 visitors and 1 berth holder. Most arrived on GOOD FRIDAY and an early evening pontoon party kicked off proceedings and a chance for everyone to meet and catch up. Luckily the weather gods were extremely kind to us.

EASTER SATURDAY, was again a lovely day and most enjoyed trip to the Lymington street market which is always good and such a large selection of stalls. Others went on a walk. The town was packed with it being Easter and a sunny day. In the evening a supper was organised in the Town Sailing Club and 43 attended, the food was excellent, the wine flowed and all had a great time. One of our members boat had not been launched so they came to the supper by car.

EASTER SUNDAY again was a glorious day and a rendezvous was arranged at the Haven, followed by a walk across the Marshes, followed by lunch at the Chequers inn.

EASTER MONDAY was a very different day, rain and gale force winds. Fortunately it was blowing from the South west, so when sailing back all had the wind behind and some did get a bit wet with sea or rain. One yacht doing the Dixon race recorded 45knots across his deck ! All in all a great weekend and good start to the MOA events calendar.
