

### **Cruise in Company to Bembridge 10-11 June**

Our Annual Cruise in Company around the back of the Island commenced on Saturday at 0900 as 5 Moody yachts gathered off Yarmouth and Jim Coombs announced the start on Channel 77.

We had easterly wind for much of the way and most of us had to put a reef in off St. Catherine's point. The sun shone all the way round and on arrival in Bembridge we were joined by 2 more boats who sailed there directly. Giving us a total of 17 sailors and one ship's dog.

On the Saturday evening, we gathered for drinks and nibbles hosted by Jim & Jackie followed by a picnic on St. Helens Beach and watched the sun go down.
