

East Cowes Rally

14th to Sunday 15th September

To try something a little bit different, the theme 'to showcase Isle of Wight produce' was chosen. The main event was provided by the IoW Bacon Co and consisted of a hog roast with all the trimmings followed by a dessert of chocolate brownies, fruit and cream. This was preceded by a range of Isle of Wight canapes consisting of locally produced cheeses and vegetables. Mermaid G&T's, local beers and an IoW inspired cocktail and mocktail were served to help the attendees relax and during the day a couple of quizzes were provided to ensure crews were kept occupied and challenged. On Sunday, bacon rolls (supplied by the IoW of course) were provided for all, after which, boats slowly started to depart to home ports. The weather was fantastic with the sun shining and a gentle breeze. A great turnout with 12 boats, 26 adults and 2 children attending. A big thank you to all the suppliers/producers and the marina who helped make the event go off without a hitch.
